Hard Cover for iPad Air 2, Black/Black Edge

THZ52005US

Overview

Serious protection without the serious price – the Targus Hard Cover for iPad Air 2 introduces rugged design for everyday life and wallets. Armed with a ribbed tablet tray, non-slip cover, and elastic case closure, the Hard Cover provides a solid defense against daily mishaps. It's a rugged case at a feasible price – it's what your iPad Air 2 has been waiting for.

All the Protection You Need, for Less- The Hard Cover for iPad Air 2 case offers strong protection at a good price. The rugged outer edges and reinforced ribbed tray protects against shock and bumps, while a protective shell ensures long-term durability. Hard Cover cases pass Mil. Spec. for 4 ft. drops, making it a perfect choice for the iPad Air 2.

Adjustable Viewing Angles - The grip lining makes it easy to adjust this iPad Air 2 case, letting you find your perfect viewing angle. Whether you're sitting, standing, or reclining, you can enjoy all of your tablet's capabilities in comfort.

Thin, Lightweight Design - Bring your iPad on the go with a case that's lightweight, slim, and easy to clean. The elastic band closure keeps your iPad safely in place, while the custom tray allows you to easily access your device's ports and buttons. Enjoy your tablet in any environment with the Targus Hard Cover for iPad Air 2.
